Is your child crying during Mass?

Children are always very welcomed at Mass.

The following are logistic advices. Common sense should always be the main drive. Very small children—infants and toddlers—are quite capable of making a great deal of noise, but they generally do so for some reason: because they are uncomfortable, hungry, or tired, for example. If they are making a noise, it may be possible to quiet them there and then, but very often a parent will have to take them outside: not just for the sake of other people, but to meet the child's needs.

In our churches there are areas where you can take your child.

Saint Paul's: back room with glass panelling.

Saint Thomas': Meeting Room.

Most Holy Name's: former sacristy.

Standing outside a church with a small child is, after all, a way of serving God, and you are "morally present" at Mass as far as meeting your own obligation to attend is concerned.

Soft toys should be preferred to be brought into the church.

MASS INTENTIONS

A Mass intention may involve an optional personal donation to the priest, which goes into the parish funds, as your parish priest receives a monthly allowance and so does not keep any 'stole fees'. If you wish, be generous as you can, for this is a small but pious contribution to our parish.

Prayer For the Canonisation of Blessed Peter Wright

Eternal Father, your priest and martyr, Blessed Peter Wright of the Society of Jesus, worked with zeal and dedication in your vineyard and gave his life freely because of his faith in you and in your Church. Through his intercession grant that this humble flock may reach where Jesus, our brave Shepherd, has gone.

In blessed Peter's name, I come to you with my needs: *(pause and silently mention your request)*

Lord, help me always to imitate the great faith, generous love, and burning zeal of Blessed Peter. Grant that Your Church may proclaim him as a saint serving at your Throne in Heaven and interceding for us. Through Christ our Lord. Amen.

OTHER NOTICES

IMPORTANT: ASSISTED DYING BILL

Baroness Hollins writes:

"As you will have seen in the news Kim Leadbeater MP will be introducing a Bill into parliament this month to legally permit medical doctors to end the life of those with a terminal illness. This bill is likely to be concerning on several levels but especially in this attempt to move doctors out of their primary duty to care for patients and towards participation in what will soon, if the bill is passed, become a new UK business sector of euthanasia provision.

You could help and act in two ways:

1. please write to your MP in your own words – not more than one page - sharing your own experiences and views. MPs will have a free vote and so will be interested to hear what you have to say. The government themselves have stated that social care, the NHS, social benefits for carers are not fit for purpose. Hospices and palliative care are massively underfunded too. Aside from any other factors in such circumstances it seems to me the wrong time to introduce such a bill before reform and resources are addressed. If you are unsure who your MP is you can find out here.
2. it seems to me essential that even if this bill is passed doctors and nurses should not be turned into the providers of lethal injections or other deliberate forms of what will be euthanasia. It would quickly break their professional integrity and upend patient trust. It would be good also therefore if we could tell our MPs that even if they are minded to support the bill, deliberately ending a life is not a job for doctors, the NHS or private hospitals. And, even if they support the bill it needs to be amended to protect doctors and nurses by creating a new highly regulated profession outside the health and social care system. And the impact on vulnerable communities must be a matter of public record with regular reporting to Parliament."

The CBCEW website has been updated with a raft of resources regarding the assisted suicide legislation that is currently working its way through Parliament. This link will take you to the relevant page on the website:
